Mission

The Support, Advocacy & Resource Center’s (SARC) mission is to provide crisis services, support and advocacy to victims, non-offending family members, and others who are impacted by crime. We strive to create and maintain a community without violence through prevention-based education.

Philosophy Statement

SARC views sexual assault as a means of power, control, and manipulation. Crime adversely affects all members of a community, including both adults and children.

SARC supports the rights of crime victims and strives to see these rights upheld. SARC believes that every victim deserves quality information, advocacy, crisis intervention, and treatment. We support the right of a victim to make choices regarding reporting, prosecution, pregnancy, future safety, and other issues raised by the experience. It is our responsibility to provide prevention education in an effort to create a community free of violence.

SARC is committed to serving all individuals, regardless of race, gender, religion, veteran status, age, ethnic background, socio-economic status, sexual orientation, marital status, physical or mental status.

Values

The Support, Advocacy & Resource Center (SARC) conducts all agency operations; client, employee and business interactions holding true to the following values:

1. **Integrity:** We will act with personal and professional integrity.
2. **Respect:** We will respect others and support and protect diversity.
3. **Loyalty:** We will be loyal to the SARC and its mission.
4. **Confidentiality:** We will protect confidential information.
5. **Responsibility:** We will manage our resources in a responsible manner maximizing our ability to advance the mission of the organization.
6. **Transparency:** We will be open and candid about our activities and operations.
7. **Governance:** We will govern carefully and honestly to advance the mission of the SARC.
8. **Compliance:** We will comply with our Code of Ethics, the policies of the SARC, as well as federal, state, and local laws.
9. **Duty:** We must hold ourselves and others accountable to carrying out the spirit and intent of the Code of Ethics. We will seek guidance concerning, and report breach of, our Code of Ethics.

**SARC has Moved and Expanded our Human Sex Trafficking Program**

**Expanded Trafficking Program**

SARC is one of three sex trafficking projects in the State of Washington recently funded through the Office of Crime Victims Advocacy. These additional funds have allowed us to hire a specialized Human Trafficking Advocate and a Clinical Director, who will provide counseling to survivors of trafficking (as well as other crimes) and supervise counseling interns. In addition to 24 hours/day crisis intervention, medical and legal advocacy; we are able to assist clients with the support and resources needed to become safe and begin their healing journey.

We are now located at **1458 Fowler Street** in Richland, WA. We are happy to be next to Chaplaincy Health Care and across from the Arc of Tri Cities. Our phone number has remained the same: **509-374-5391**.
Crisis Program

Advocates in the Crisis Program provide services to victims of all non-domestic violence crimes, their non-offending friends and family, and serve as a resource for community members seeking assistance on crime victimization. SARC’s service area includes Benton and Franklin Counties, in Washington State.

SARC provides the following services in the Crisis Program:

**Crisis Line:** SARC’s crisis line is staffed 24 hours a day by trained advocates. Advocates are available to answer questions and provide support. This line also serves as a point of contact for clients who may need immediate emergency assistance.

**Legal and Medical Advocacy:** SARC's agency staff and trained volunteer advocates respond to hospital calls to provide medical advocacy to victims of crime. We also provide legal advocacy at police interviews and court proceedings. Moral support and information is given to victims, families and friends.

**Crisis Intervention:** Advocates provide short-term crisis intervention, support, and validation for the client’s feelings. We often recommend that clients also seek therapy to assist in the healing process.

**Therapy Referrals:** Clients receive assistance in the process of finding a counselor who is experienced in the field of sexual abuse. We also provide information regarding payment options such as sliding fee scales, insurance, and crime victim’s compensation. In addition, SARC provides financial support to clients who would not otherwise be able to seek professional mental health care.

**Library:** SARC has an extensive library containing a multitude of resources (including books and videos), which relate to crime victimization. The library is available to all members of the community at no cost.

**Volunteer Advocates**

SARC relies on volunteer advocates to staff the crisis line and respond to hospital calls when the agency is closed. Without these volunteers, the agency would not be able to provide much needed services 24-hours a day. Each advocate is required to complete 32 hours of training certified through the Washington Coalition of Sexual Assault Programs, in addition to completing 12 hours of on-going training per year. This year SARC offered two 32-hour Core Advocacy Trainings and the following 15 hours of ongoing in-service trainings: The Language of Sexual Assault; 2-1-1 Helpline; Columbia Legal Services; Hope Medical; Coordinated Entry System; Civil Remedies for Victims of Crime; Northwest Justice Project; Child Protective Services; Chaplaincy Healthcare; Advocate Refresher Course; and Step Up Washington!

Collectively our volunteers provided 20,600 hours of on-call availability. A huge THANK YOU!!

Summer Camp

Camp SARC is a unique and innovative program that combines the rite-of-passage experience of summer day camp with group psycho-education and support for young victims of abuse. While SARC stands for the Support, Advocacy & Resource Center, during one special week each summer, it stands for **Strengthening and Revitalizing Children**. Complete with wacky songs, arts and crafts, treats and parachute games, Camp SARC engages kids in healthy and fun activities in an environment that validates and normalizes their experiences.

June 19-23, 2017 was the seventh annual Camp SARC and what a success!! Twenty four children participated and the experience far exceeded our expectations. Not only did the little ones self esteem grow, sense of isolation lessen, fear and anxiety reduce, and personal safety skills increase – the staff was rejuvenated and became so much more connected to the children we serve.

The five days were structured around the following group themes with a focus for each day:

**Healthy Expressions:** Feelings Identification, Affect Regulation, Trigger Identification, Coping Skills, and Resource Development

**Healthy Connections:** Active Listening and Social Skills, Respecting Others and Body Integrity, Recognizing Unhealthy Relationships, Teamwork and Interpersonal Relationships, and Enhancing Healthy Relationships

**Healthy Confidence:** External Boundaries, Internal Boundaries, Assertiveness Training, Body Safety, Personal Safety, and Self-Efficacy

**Healthy Me:** Self-Identity and Exploration, Recognition of Others, Trust and Empathy Building, Trust and Self-Empowerment, and Future Self

We went to the Kennewick Police Department, miniature golf, bowling and the movies!!
SARC offers prevention based education services throughout Benton/Franklin Counties. Programs are directed toward the prevention of sexual assault and to raise the awareness of sexual violence. All programs are done in an age appropriate manner and are sensitive to the audiences needs. The following core competencies – empathy/feelings, respect for oneself/others, self and community responsibility, boundaries for oneself and others, conflict resolution/problem solving and gender stereotyping are incorporated into all programs. These competencies were selected as they mirror developmental assets that extensive research has shown youths need to mitigate risk and to thrive. Equipping youths with many developmental assets help them to become caring, responsible adults – which are not people who become sex offenders. In addition to focusing on developing assets, children are equipped with knowledge and tools to help reduce the possibility of sexual victimization. Following are the programs provided:

**Body & Boundary Safety**
*(Preschool Program)*:
- Day 1: Personal Space
- Day 2: Happy Bear
- Day 3: Sunshine Puppet Show

**Safe Bodies, Healthy Minds**
*(Kindergartern-2nd Grade)*:

**Parent Education** - Parents are provided child sexual abuse information, a preview of the program in which their child will participate, and learn ways to reinforce concepts at home. Parent education is a vital component in the prevention of child sexual abuse.

**General Sexual Assault** - This presentation provides statistics and informs audiences about child sexual abuse, sex offenders, adult survivors, rape, social myths, laws and prevention. This program is offered to service clubs, businesses, churches, and to anyone interested in learning more about sexual violence.

**Sexual Harassment Intervention Program (SHIP):** This is an educational program for students who have a charge/complaint of sexual harassment against them by another student or teacher. All referrals attend the workshop together and are required to write a 500-word essay on Sexual Harassment. Information covered includes the definition of sexual harassment, victims (male and female), Impact vs. Intent, boundaries and gender stereotyping. The paper is submitted to the school principal and SARC as a part of our follow-up.

**Creating Healthy Relationships Program (CHRP):** This program works with the juvenile detention center as well as local school intervention specialists to reach students who have been involved in a sexual harassment situation with either another student, peer or individual. Referrals attend the two hour program where education on boundaries, consent, and sexual assault information is discussed. The attendee is required to write a 500 word essay on the role they played within the situation and what they learned from their conflict.

**Health Fairs and Community Events**

SARC is dedicated to participating in as many health fairs and community events as possible. We are committed to raising the awareness of sexual violence and preventing future sexual abuse. Our goal is to make every community member aware of our services and to provide the tools needed to reduce violence in our community. This year we participated in many events, including: National Night Out at the Southridge Complex in Kennewick and John Dam Plaza in Richland, Convoy of Hope, 911 Memorial Event, Mid-Columbia Duck Race, High School/College Fairs: Chiawana, Kennewick, Richland, Hanford, & Southridge, Women’s Expo, Early Learning Conference, Sacajawea Resource Fair, Pasco United, Amistad Career Night, Highlands ATP, PFLAG Student Rights, Family Expo, Richland HS Health Night, Prosser HS Parent Forum & Resource Fair, Parent to Parent Family Expo, Hanford Health & Safety Fair, Tyson’s Health & Safety Expo, Amistad Parent Night, McLoughlin Parent Night, La Campensia/Ruido Instinto, CBC “Coming Out Day”, Walmart Health Fair, WSU Tri-Cities Health and Safety, Broetje Orchards Health Fair, Boys and Girls Club Community Expo, Amistad Soccer Night, Summer Safety Fun Fair and Kadlec’s Safe Kids Saturday.

**Special Projects**

**Newsletter:** SARC develops and distributes a quarterly newsletter that discusses information pertaining to the prevention of sexual violence, information about local sex offenders, upcoming events, and provides a forum for individuals to voice their experience surrounding sexual violence. The newsletter is distributed to almost 4,008 individuals and agencies.

**The Little People Project:** Each year SARC showcases little wooden, three dimensional, figurines that represent the children involved in child abuse cases investigated in Benton/Franklin counties. In 2017 that number was over 500. During SAAM 2017, the “Little People” were displayed at the Columbia Center Mall.
Clothesline Project: This project provides the opportunity for men and women who have been victims of any type of crime to express their stories artistically by designing t-shirts. Not only is the expression part of the healing process for them, the final product is also a powerful reminder to the community that crime has serious and often long lasting effects. Our Clothesline Project included over 40 t-shirts designed by local community members. We displayed our project during Washington State Sexual Assault Awareness Week 2017 at the Keewaydin and Union Branch of the Mid Columbia Libraries in Kennewick, the Connell library, and the Richland Library.

Strides of Strength: Strides of Strength is an annual event designed to give members in our community the opportunity to publicly demonstrate their courage and commitment to victims of crime. This was SARC’s eleventh year organizing the event, held on April 29th, and was attended by 120 participants. Bill Copland once again did a great job delivering a thought provoking talk to start us off. SARC staff, community members, volunteer advocates and board members joined in the walk down Columbia Center Blvd. Kennewick Police Department did a wonderful job blocking the cross streets and driving next to us on Columbia Center Blvd with their lights on.
SARC provided 1,130 presentations, reaching 29,721 individuals. We also reached an additional 555,694 individuals through an assortment of outreach efforts.

Kids Haven

Kids Haven is a joint effort between SARC and our local city and county governments. It is a program designed to meet the needs of children who have allegedly been physically and/or sexually abused.

The goal of Kids Haven is multi-faceted:

**Lessen the trauma to children when they disclose they have been abused:** It is difficult for children to discuss the details of their abuse. It can be made even more difficult by going to a police station, courthouse or office that can even intimidate adults. Our facility has been designed in a child friendly manner, in order to help the child feel more comfortable.

When the child is interviewed, detectives, CPS workers and prosecutors have the ability to observe the interview through a one-way mirror. Most interviews are also recorded on DVD, a copy of which is given to the investigating detective before he/she leaves the building. This reduces the need for multiple interviews, and the child does not need to relive the abuse a variety of times to an assortment of people in a multitude of settings.

**Holding more offenders accountable:** By having neutral, quality interviews conducted by an interviewer who is specifically trained, prosecutors are able to charge and convict a higher number of child abusers. The already small chance that someone may be wrongly charged is also reduced.

**Offer comprehensive services to children and their non-offending family members:** Child abuse is a horrific crime. Children and their non-offending family members deserve to receive services to assist them in the healing process. SARC offers support and advocacy and explains the many services we provide. Therapy referrals are also provided. SARC has on-site counseling available, as well as grant funds for counseling for families with limited resources.

**Structure**

The Benton County Prosecuting Attorney’s Office is responsible for the employment and supervision of the Child Interviewer and the financial administration related to this function. SARC is responsible for the employment and supervision of the advocates, and the financial administration related to these positions.

**Funding**

Our local city and county governments provide funding for the Child Interviewer and related expenses. The advocate positions and related expenses are funded through private grants, fundraising, state funds and United Way. The facility is a joint effort between SARC, local city and county governments, private grants and community donations.
Statistics

Interviews were conducted for 256 children in Benton and Franklin Counties:

**Gender:**
- 76% Female
- 24% Male

**Ages:**
- 0 – 5 years of age – 19%
- 6 – 11 years of age – 53%
- 12 – 18 years of age – 28%

**Type of Abuse:**
- Sexual abuse – 87%
- Physical abuse – 6%
- Witness to violence – 6%
- Other – 1%

Outcomes

We have observed a variety of outcomes as a result of this program:

- Families do not have to wait as long to have their children interviewed.
- Charging decisions are made quicker.
- More offenders are being held accountable.
- Children are being connected to counseling services much earlier.
- Children are not re-traumatized through the interview process.
- Non-offending family members are provided the support services they need.
Funding

SARC receives funding through the Office of Crime Victims Advocacy, community donations, program fees, private grants and fundraising events. Below are individual and organization donors. All of this amazing generosity is greatly appreciated.

The Support, Advocacy & Resource Center (SARC) raised over $24,000 through our 17th annual Kids Haven Benefit Auction and Cinco de Mayo Celebration Dinner. All proceeds will be used to provide counseling and advocacy to victims of child abuse. Last year 295 children received these much needed services. SARC/Kids Haven would like to thank the following individuals and businesses for their help in making our auction and celebration dinner a success.

We are especially grateful to **Tri-Cities Exchange Club** for generously being our “Diamond” Sponsor this year, and their donations to the auction. Together we are making a difference in the lives of children.
